In connection with the Partial Revocation, the Company confirms its intention to raise gross proceeds of up to \$500,000 through a non-brokered private placement (the “**Private Placement**”) of units (the “**Units**”). Each Unit will consist of one common share of the Company (a “Common Share”) at a price of \$0.03 per Unit and one common share purchase warrant (a “Warrant”). Each Warrant will entitle the holder to acquire one additional Common Share at an exercise price of \$0.08 for a period of 36 months from the closing date of the Private Placement.

The Company may pay to any applicable finder a cash commission of up to 8% (however, intends to pay up to 6%) of the gross proceeds of the Private Placement and may issue broker warrants of up to 8% (however, intends to pay up to 6%) of the Units sold under the Private Placement, with each broker warrant exercisable to acquire one Common Share at an exercise price of \$0.08 for a period of three years from the date of issuance thereof.

The purpose of the Private Placement is to raise sufficient capital to prepare and file all outstanding continuous disclosure documents, and subsequently apply for and obtain a full revocation order. The proceeds of the Private Placement will namely be applied towards the following: (i) accounting, audit and legal fees associated with the preparation and filing of the relevant continuous disclosure documents; (ii) payment of the finder’s fee in connection with the Private Placement; (iii) exploration and evaluation activities, and (iv) unallocated working capital as set out below:

Accounting, audit, legal and other professional fees	\$75,000
Payment of Finder’s Fees	\$40,000
Exploration and evaluation activities	\$250,000

Unallocated working capital	\$135,000
Total	\$500,000

Closing of the Private Placement will be subject to acceptance by the TSX Venture Exchange and other customary closing conditions. In addition to the CTO and applicable resale restrictions under Canadian securities laws, the securities issued pursuant to the Private Placement will be subject to a statutory hold period of four months and one day from the date of issuance, in accordance with applicable securities legislation.

Prior to the closing of the Private Placement, the Company will provide written notice to each subscriber that the Common Shares will remain subject to the CTO until such time as a full revocation is granted and that the granting of the Partial Revocation does not guarantee the issuance of a full revocation order in the future.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any Units in the United States. The securities to be sold in the Private Placement have not been and will not be registered under the U.S. Securities Act or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
